CBPA GIVING TREE

This Holiday season is supposed to be full of joy, wonder, cheer and love. Many families in our community will find it hard to experience those this year. As members of our "diamond sports" community we are reaching out to you all to help make someone's season bright.

In our Lobby there is a small tree with many wooden ornaments with different ideas we have received from some of our families of things that could help them this season. Take one and purchase the product and hang it on your tree as a reminder of the good cheer you delivered this season, or return it so someone else can help as well.
